Dear Community Supporter,

We are excited to announce **Inside Out Reentry Community's 2026 Trivia Night Fundraiser**—a sold-out event for the last three years! Mark your calendars for Thursday, November 5, from 7:00–9:00 PM, and join us at the Unitarian Universalist Society in Coralville. This will be our **fourth annual event**, with more than 135 people competing to be our trivia champion! It's a night of fun featuring a live Pie Auction, silent auction items donated by the community, last-minute lifelines purchased by teams vying for the win, and much more. This fundraiser is vital to supporting Inside Out's mission.

Our services: As you may know, we are a nonprofit organization based in Iowa City, serving people returning to Johnson County after incarceration for over ten years. Since we opened our doors, we have served **more than 1,500 individuals**. Our services include case management, a sober reentry house, personalized reentry planning, employment assistance, housing, mentoring, and general support. We offer support groups including substance use recovery support, host social activities, share challenges and successes, and feature life skills workshops.

A growing need: Communities across our region are facing increasing challenges as funding sources are reduced. Affordable housing remains scarce and employment barriers persist for people returning from incarceration. As these challenges grow, so does the need for effective reentry support. We are happily seeing more people learn about Inside Out through word of mouth—a reflection of the trust we have built and the positive impact our programs are having in the community.

Your support: You can help ensure that individuals returning from incarceration have access to the resources, relationships, and opportunities they need to successfully rebuild their lives. We hope you will consider supporting our mission through event sponsorship support. As a sponsor, you will receive prominent branding including signage and promotion at the event, a social media shout out, and links to your organization on our website. We hope you will consider sponsorship at any level for this amazing community event!

- Einstein: \$1000
- Quizmaster: \$500
- Genius: \$250
- Brainiac: \$100
